EXPLORING ARCHAEOLOGY IN CALIFORNIA

California is home to the Presidio and Chumash Painted Cave. There is so much archaeology to explore here. The resources below offer a few suggestions for getting your students involved in local archaeology.

GET INVOLVED

California Archaeology Month is celebrated in October with activities and events. Find opportunities near you: https://scahome.org/archaeology-month-2/archaeology-month-events

California Archaeological Site Stewardship Program: http://www.cassp.org

Presidio Trust Excavate History Program and Presidio Trust Volunteer Program:
